## TRANSPORTATION

Transportation to and from shelter is available through the Shelter Hotline or 311. Scheduled pick-up and drop-off locations vary by shelter and overflow site and are subject to change due to traffic conditions and winter weather challenges. Unscheduled (on-demand) transportation may experience delays from 6 am - 10 am and 3 pm - 9 pm due to scheduled routes being prioritized at these times. Accessible transportation for persons with disabilities is available upon request.
